Dear Members

We realize that making small payments for collections can be time-consuming and frustrating for you. Having to find the exact change needed or make lengthy steps for online payments is inconvenient. It is even more inconvenient to keep of track of multiple events within your busy work schedule.

We believe we have found the solution and we are excited to announce that we will be using a new payment application that will help alleviate these issues.

The benefits of this app are applicable to both you as a member and us as an organization. Dealing with cash is a safety and security concern and a burden for our staff members. It is also difficult to keep track of lots of EFTs with different references. More importantly, the app we are introducing will benefit you in that you will be able to pay for small transactions at the click of a button.

There is NO charge to members for this application. It is FREE to download from either the Apple Store or Google Play Store and it uses less data than WhatsApp.

The application is called Karri (a Zulu word for small change). Karri is an innovative mobile payment application that allows you to make quick payments for community collections using your smartphone. Karri is powered by Nedbank but will work with any bank ensuring the safety and security of all information loaded onto the app. It is therefore fully POPI and PCI DSS compliant with stringent internal measures. We have furthermore entered into a contractual agreement with Karri to guarantee this.

You only need an email address to access the app. Please expect an email/SMS directly from Karri asking you to download the app and then sign up with your email address and a new password. If you already use Karri at your school or another organization, you just need to login with the same email address. We have attached a Karri pamphlet detailing the simple steps for making payments.

We would really appreciate your support in striving to be a cash free, convenient environment. For further queries or information visit the Karri website on www.karri.co.za. Alternatively you can contact Karri directly on: 021 300 1867.
